Application Procedures and Instructions

(for School Year 2009-2010)

Supporting Hawaii's Child Care Needs

Patch is Hawaii's only Child Care Resource & Referral Agency whose mission is to support and improve the quality and availability of care for young people in Hawaii. With the generous support of the State Department of Human Services, PATCH is able to provide for the professional development needs of the child care community by administering the Early Childhood Education Scholarships. Please visit our website, www.patchhawaii.org, for other services PATCH has available.

PATCH is pleased to announce two types of scholarships for the Early Childhood community. For both scholarships, the criteria for coursework must be met. The Reimbursement Scholarship reimburses monies to applicants who have passed eligible courses. The Need-Based Scholarship monies are distributed at the time tuition is due. Funding for both scholarships are limited and use the first come, first serve system.

- Only *tuition* of eligible college coursework taken from in-state institutions. Books, student fees, online technical fees, etc. are not covered.
