PRESIDENT'S MESSAGE

PATCH
Supporting Hawaii's Child Care Needs

AFFILIATIONS:

Aloha mai kākou,

He ʻaʻliʻi ku makani mai au; ʻaʻohe makani nana e kulaʻi
2020 was a challenging year due to the pandemic and everyone's lives being transformed. Hawaii changed drastically over the last year but PATCH, just like the ʻaʻaliʻi plant, was able to adapt to the ever changing new normal to continue its proud tradition of serving the keiki of Hawaii. PATCH kept connecting children and families with community services. Our leadership team stepped up in 2020 juggling the task of providing leadership for the organization while handling the new challenges that the pandemic created. The PATCH leadership team, managers, front-line staff and board of directors continued to serve the community with competence, creativity and above all a deep commitment to serve.

Our PATCH staff has remained committed to our programs and the services that they provide. As our organization enters its 45th year we remain committed to our mission to support and improve the quality and availability of care for the young people of Hawaii. PATCH continues to be an important player in the early childhood learning community as a connector and advocate, matching children and families with government, non-profit and private services. PATCH continues to help families find the right childcare and offers free resources on choosing and paying for child care, child development, parenting and becoming a childcare provider. We are also always looking at new areas and locations to expand and form new alliances so that we can ensure we can continue our mission.

Mahalo to our donors, community partners, volunteers, staff and board for all of your support and serving the children of Hawaii.

Me ka haʻahaʻa,

Debbie Ng-Furuhashi

IN THEIR OWN WORDS...

Just a few examples of what the people we help have to say...

Wow, PATCH has always been an AWESOME supporter of child care facilities & centers. Thank You, thank you, thank you!

This is AMAZING news. I feel like I just hit the jackpot with the CC Assistance funding and all the additional gifts to help us guard against Covid spread. Thank you so much for working hard on our behalf. I appreciate it so very much.

Recruitment

Just want to say thank you so much to PATCH staff, who help me grow with my childcare business, They have helped me in so many ways and have given me such good resources when I needed them and they always answered any questions I may have had. They are so sweet and kind and do their job so well.

Child Care Resources & Referral

I just wanted to send a quick "Mahalo!" to thank you for your help recently, and also to relay the good news that we found a spot for our daughter. Your exhaustive referral list was very comforting (seeing that we still had options), since we had all but given up hope on the schools on my original list. Thanks again, and best wishes for 2021!
~Chris

Training

Thank you so much for all your help in registering for the webinars to enable me to fulfill the 16-hour PATCH requirement for 2020-21. When I started the first course on August 27 (Bigger than Books) I was a nervous wreck and very, very stressed out. Without your many emails and phone calls, I would never have completed that first course. By the time I took my last course last night (Social Guidance) I finally felt I knew what I was doing and felt comfortable with the PATCH online learning program.

I usually hate doing anything on a computer and try to handle most of my transactions in person or by phone or snail mail (at 75 I'm a dinosaur in this digital age), but COVID-19 has forced me to learn new digital skills, which I've been able to do thank to great teachers like you.
G.L.

Preschool Open Doors

We sincerely thank you in giving our child the opportunity to attend preschool.
Thank you for working tireleessly during this COVID season and processing our tile timely. We are very grateful for all of your effort and kind assistance.
- Mom and Dad

When I hear the acronym of PATCH, I have to smile! PATCH has always been there for me and my business, right from the start. They assist me with referrals of families looking for childcare to providing me with classes to help me get my yearly 16 hours of Health and Safety requirements

I feel like I just hit the jackpot with the CC Assistance funding and all the additional gifts to help us guard against Covid spread. Thank you so much for working hard on our behalf. I appreciate it so very much.
