Briefly describe the purpose for this request. Please include why you are requesting the information and how you plan to use the information.

Child care providers are licensed by the State Department of Human Services and are not employees, subcontractors, agents or licensees of PATCH. I understand that the list of licensed providers continually changes. PATCH makes no warranties expressed or implied about the quality of childcare they offer. I understand that if this request is fulfilled, I will only have permission to use the information in the manner I have described. I understand that if the information is used for any other purpose, PATCH reserves the right to deny further requests. If statistical information is used in a published document, PATCH will be credited in the document. PATCH also reserves the right to review published documents before it is disseminated to the public.

Authorized Signature:

Date:

PATCH thanks the State Department of Human Services-Benefit, Employment and Support Services Division for its support.
