PATCH TRAINING GUIDELINES

Reminders About PATCH Training Attendance

Thank you for your diligence as a child care professional and your dedication to your on-going training and development.

When attending PATCH training classes there are a few guidelines to remember:

Sign Up for Classes Ahead of Time: Remember to sign up for PATCH classes in advance by calling your local PATCH office. To register for a class you must pay a \$5.00 refundable deposit to PATCH at least three calendar days before the class. Your \$5.00 deposit will be returned upon attendance or can be applied to a future class.

Remember to sign in: You will not receive a certificate for a training class if your name does not appear on the sign-in sheet. Please check all your information on the sign-in sheet. Print clearly when correcting errors in your name, address, or telephone number.

Be on time: If you arrive more than 15 minutes late, you will not be allowed to sign in. If you are unable to stay for the full duration of the training, you will not receive a training certificate. In both of these circumstances, your attendance will not be posted in the database for that class. Likewise, if a trainer is more than 15 minutes late—you may assume that the class has been cancelled due to unforeseen circumstances. We will call you to reschedule the class.

Turn off your cell phone: As a courtesy to the other participants, please turn off the volume of your cell phone or pager.

Adults only please: We love children too, but as a courtesy to other participants, we ask you to make alternative arrangements for child care.

Bring your Record of Training: Please bring your Record of Training (available via the PATCH office) to each class and remember to get the PATCH instructor's signature after each class. When you have completed an entire series, please return the original Record of Training to the PATCH office and we will mail you a Certificate of Completion for the series.

Keep good records: Whether you take a PATCH class or any other training, you should keep track of the trainings you attend for future reference. If you need verification of your PATCH classes, there is a \$2.00 fee for a computer printout list of classes taken at PATCH. If you have

misplaced your Record of Training sheet, there is a \$3.00 fee for a replacement. Duplicate certificates are available for \$1.00 each. Please keep in mind that PATCH often deletes information more than 5 years old to make room for the following year.

PATCH strives to coordinate its Training Program (and other programs) to fit the needs of Hawaii's child care professionals. If you have comments or suggestions, please contact your local PATCH office or email us at Patch@PatchHawaii.org.

A fond farewell from Jim Eberle, Preschool Open Doors Program Manager

"I bid my final Aloha to PATCH and Hawaii. The 13 years I have lived here have been amazing! I will always have Hawaii and the people here in my heart, forever.

Whenever I reflect on my time as Preschool Open Doors (POD) Program Manager I will have a great sense of accomplishment and satisfaction. I truly did my best and sincerely hope I made a difference for everyone my program served, the POD and PATCH staff, and all those involved in the Early Education field that my efforts touched.

The journey has been long but fulfilling, I have learned so much from everyone, and have grown in mind and spirit. I'll always be grateful for that, and will miss everyone dearly.

Farewell and Aloha to All! " Jim
