Supporting Hawaii's Child Care Needs

Celebrating

HOLIDAYS

in early childhood programs

© National Association for the Education of Young Children

Holiday celebrations can be wonderful opportunities for children to learn the traditions and values that are cherished parts of people's lives. But many early childhood professionals wonder what holidays to celebrate in the program or classroom and how to respect the cultures represented by all children. Many parents, too, wonder why programs celebrate specific holidays or why they discourage any celebration at all.

NAEYC believes that decisions about what holidays to celebrate are best made together by teachers, parents, and children. Families and staff are more comfortable when both have expressed their views and understand how a decision has been reached. The important thing for all to remember is that when planning holiday activities, the rules of good practice continue to apply:

Are the activities meaningful to the children? Are their needs and interests being met? Is the activity a valuable use of children's time?

Teachers may survey families at the beginning of the year to determine what holidays to celebrate. They may even ask the children to create their own holiday to help them learn the concepts that underlie such valued traditions. In any case, holiday celebrations are just one way for programs and families to work together to create developmentally and culturally appropriate learning experiences.

ANNOUNCEMENT: Central Pacific Bank Foundation Donates \$50,000 To PATCH To Support Homeless Outreach

Honolulu, Hawaii. Central Pacific Bank Foundation presented PATCH (People Attentive to Children) with a check for \$50,000 to support a new Homeless Outreach initiative. PATCH Homeless Outreach Program will connect children age zero to five with services to meet their needs. Over 90% of brain development happens from age zero to five years of age, so the early years are really important for learning and growth.

There are many initiatives in Hawaii to help the growing homeless population in the state. Most of them, however, focus on helping families move into transitional and eventually permanent housing. While this is the ultimate aim to address the overall homeless issue, what is happening to the children of these families in the interim? Many of them have health, educational, and other social welfare needs that need to be addressed now. This is where the Homeless Outreach Program comes in. The program is the missing piece to coordinate the varied services available to them through government agencies, PATCH, and other nonprofits in the state. PATCH Homeless Outreach will help connect homeless and at-risk children with services to support their health, nutrition, care, and education.

We are grateful to Central Pacific Bank Foundation for this donation. It will allow PATCH to provide vital outreach services to improve the lives of people, especially children, in our community. Mahalo!

Celebrating **HOLIDAYS** in early childhood programs

Continued from Page 1

Here are some signs of good practice in celebrating holidays:

☞ Parents and teachers ask themselves why children should learn about this holiday. Is it developmentally appropriate for those in the group? Why is it important to specific children and families?

☞ Activities are connected to specific children and families in the group. This helps children understand holiday activities in the context of people's daily lives. Children should have the chance to explore the meaning and significance of each holiday.

☞ Children are encouraged to share feelings and information about the holidays they celebrate. This will help them make the distinction between learning about another person's holiday rituals and celebrating one's own holidays. Children may participate as "guests" in holiday activities that are not part of their own cultures.

☞ Every group represented in the classroom is honored (both children and staff). This does not mean that every holiday of every group must be celebrated classrooms would be celebrating all the time! It does mean that once families and programs have decided on what holidays to celebrate, none should be treated as if they are "unusual." Children should recognize that everyone's holidays are culturally significant and meaningful.

☞ Activities demonstrate the fact that not everyone in the same ethnic group celebrates holidays in the same way. Families may provide examples of their own unique traditions.

☞ Curriculum demonstrates respect for everyone's customs. If children are observing different holidays at the same time, the values and traditions of each child's culture should be acknowledged.

☞ Parents and teachers work together to plan strategies for children whose families' beliefs do not permit participation in holiday celebrations. Families should take part in creating satisfactory alternatives for the child within the classroom.

☞ Focus is on meaningful ways to celebrate holidays without spending money. Families may find certain holidays stressful due to the amount of commercialization and the media pressure to buy gifts. Teachers can help by showing children that homemade costumes and gifts are very special, and celebrating can be joyful without gifts.

Training Guidelines

Reminders About PATCH Training Attendance

Thank you for your diligence as a child care professional and your dedication to your on-going training and development.

When attending PATCH training classes there are a few guidelines to remember:

Sign Up for Classes Ahead of Time: Remember to sign up for PATCH classes in advance by calling your local PATCH office. To register for a class you must pay a \$5.00 refundable deposit to PATCH at least three calendar days before the class. Your \$5.00 deposit will be returned upon attendance or can be applied to a future class.

Remember to sign in: You will not receive a certificate for a training class if your name does not appear on the sign-in sheet. Please check all your information on the sign-in sheet. Print clearly when correcting errors in your name, address, or telephone number.

Be on time: If you arrive more than 15 minutes late, you will not be allowed to sign in. If you are unable to stay for the full duration of the training, you will not receive a training certificate. In both of these circumstances, your attendance will not be posted in the database for that class. Likewise, if a trainer is more than 15 minutes late—you may assume that the class has been cancelled due to unforeseen circumstances. We will call you to reschedule the class.

Turn off your cell phone: As a courtesy to the other participants, please turn off the volume of your cell phone or pager.

Adults only please: We love children too, but as a courtesy to other participants, we ask you to make alternative arrangements for child care.

Bring your Record of Training: Please bring your Record of Training (available via the PATCH office) to each class and remember to get the PATCH instructor's signature after each class. When you have completed an entire series, please return the original Record of Training to the PATCH office and we will mail you a Certificate of Completion for the series.

Keep good records: Whether you take a PATCH class or any other training, you should keep track of the trainings you attend for future reference. If you need verification of your PATCH classes, there is a \$2.00 fee for a computer printout list of classes taken at PATCH. If you have

misplaced your Record of Training sheet, there is a \$3.00 fee for a replacement. Duplicate certificates are available for \$1.00 each. Please keep in mind that PATCH often deletes information more than 5 years old to make room for the following year.

PATCH strives to coordinate its Training Program (and other programs) to fit the needs of Hawaii's child care professionals. If you have comments or suggestions, please contact your local PATCH office or email us at Patch@PatchHawaii.org.

PATCH thanks all of you who came to see us at various Oahu events this past quarter. In August, we attended the Best of Honolulu and Family Fun Run event put on by Honolulu Magazine (*pictured left: PATCH's Anthony Arce at the PATCH booth*) and were also at the Special Olympics event. Your support means a lot to us at events and they are a great way to get your children outdoors and to enjoy activities for the whole family! We'll be joining in even more upcoming family and early childhood events so please remember to check our Events Calendar to see where we will be.

It's hard to believe the Holidays are approaching already! As we all know, this can be the busiest time of the year for families. Help young children cope by trying to stay in routines as much as possible and making sure you are getting enough rest — this way you can be at your best for the children you are caring for. It is a great time to engage families in discussions about their Holiday traditions and for bringing home to school by providing opportunities for families to share traditions with you and your home child care or classroom.

Maui County News

By Jessica Crouse,
Maui Coordinator

Aloha Maui County friends and families,

This quarter, we will be offering two training series from our PATCH Office. We are offering the Basic Series, which is designed for potential child care providers or individuals just starting a family child care business. This series is designed around the Hawaii Administrative Rules and features activities to help participants understand the regulations and implement a quality family child care business. We are also offering the I'm Moving, I'm Learning series, designed to work with children and families to support healthy practices through physical movement and nutrition.

We are thrilled to announce that Tom Copeland will be on Maui to offer a special 3-hour free workshop for Family Child Care providers. Tom Copeland is the nation's leading expert on the business of family child care, and this will be his first presentation on Maui for PATCH clients. This workshop will be on Saturday, December 9th, from 10 am to 2 pm. Space is limited! E-mail Monet Becker, PATCH Program Representative, at mbecker@patch-hi.org to inquire about securing your spot.

We have launched the Cash for Caring program! The goal is to offer licensed family child care providers, or home child care providers pursuing child care licensing, the opportunity to receive support towards increasing the quality of their child care program. Reimbursement grants of up to \$250 are available to eligible family child care providers or prospective providers. Grants in excess of \$250 may be considered at year's end contingent upon available funds and applicant volume. Eligible grant purchases are those that relate to child care program improvements and/or professional development costs, including workshop/training fees, equipment or curriculum purchases, program supplies, etc. For more information and to receive an application, contact Maui County Coordinator Jessica Crouse at jcrouse@patch-hi.org or (808) 856-4094.

Aloha. What a wonderful summer it has been! I hope each of you can agree. We are so lucky to live Kauai!!

PATCH Kauai partnered with the Alameda Professional Child Care Association (APCCA) to host the National Association of Family Child Care Providers (NAFCC) Region 16 Conference on Kauai. NAFCC Region 16 includes all of California and Hawaii. This wonderful gathering from August 10-12, 2017 included Family Childcare Providers from Kauai, California, Oregon and Georgia.

This year's NAFCC Conference was held at the Kauai

Beach Hotel and participants enjoyed a Welcome Reception, workshops on "Fun Adventures in Your Outdoor Environments", "Flexible, Fearful and Feisty", "Brain Gym" and "You Have the Power", as well as delicious lunches. On Friday night, PATCH Kauai hosted a Provider's Appreciation Event Luau for all conference attendees and the families of mainland attendees at Lydgate Main Pavilion. We enjoyed excellent Hawaiian food and a performance by the Ambassador of Aloha, iconic Kauaiian performer, Larry Rivera. All of us participants had a fabulous time!! Next year's conference will be a Mexican Riviera Conference cruise. Contact me for more information.

Speaking of trainings, Kauai is offering a variety of classes starting in October. **Don't miss Tom Copeland on THE BUSINESS OF CHILD CARE: Dec. 16 at the Courtyard Marriott from 8:00 a.m.-12:00 noon (see next page)!** Check the following calendar pages for details about our Puppetry, Safe Sleep, and Challenging Behaviors - Advanced classes. Hawaii Island News

By David Okumura,
West Hawaii Coordinator

Aloha Big Island, the Holidays are upon us! It's the most wonderful time of the year...or so we keep telling ourselves. As we move into the last quarter of the year I would like to remind you to take a moment to breathe and relax. The holidays are an exciting time full of family and friends, events, parades, lights, decorations, baking and presents. They can also be stressful and overwhelming with late nights out, family obligations, miles of wrapping paper and disruptions to routines. Here are a few tips to de-stressing during the holidays.

Try to Maintain Your Routine – sticking to a routine will help to keep your stress level down. If you are not able to keep to a routine you can always plan your outing ahead of time. Feed the kids before going shopping so they will not be fussy. Always carry snacks and on-the-go activities to keep the kids occupied.

“No” - Don't feel guilty saying “no” when it comes to something you either don't want to do or feel pressured into accepting. There is nothing wrong with knowing your limits.

Set Realistic Expectations – In this day with social media breathing down our necks we feel obligated to be the “perfect family”. Don't bite off more than you can chew this holiday season, moderation is key to enjoying the holidays especially with kids.

Accept Help – we all need help from time to time. Whether it be help with the children, transportation or assistance in wrapping up all those presents we can all use someone to lean on.

You Time – take time out of your day to do something for yourself. Whether it be an hour at a salon, a soak in the tub, twenty minutes alone to read a book or enjoying a dessert with a significant other once the children have gone to bed. Don't feel like you are being selfish by taking some time out for yourself. Taking care of you will significantly benefit everyone else in the long run.

If you are a licensed Family Child Care provider and making purchases this holiday season to improve the quality of your child care don't forget to **SAVE YOUR RECEIPTS**. PATCH recently emailed out the 2017-2018 Cash for Caring application. The first round ends on the last day of the year and must be postmarked 12/31/17 to qualify. For further details please see the PATCH website under the heading “Other Scholarship Opportunities”.

make healthier holiday choices

10 tips for a healthier holiday

The holidays are often filled with time-honored traditions that include some of our favorite meals and foods. As you celebrate, think of little changes you can make this holiday season to create healthier meals and active days.

1 create MyPlate makeovers

Makeover your favorite holiday dishes. Use My Recipe on SuperTracker to improve holiday recipes and get healthier results. Go to <https://www.supertracker.usda.gov/myrecipe.aspx>.

6 tweak the sweet

For dessert, try baked apples with cinnamon and a sprinkle of sugar instead of apple pie. Invite your guests to make their own parfait with colorful sliced fruit and low-fat yogurt.

2 enjoy all the food groups at your celebration

Prepare whole-grain crackers with hummus as an appetizer; add unsalted nuts and black beans to a green-leaf salad; use low-fat milk instead of heavy cream in your casseroles. Share healthier options during your holiday meal.

7 be the life of the party

Laugh, mingle, dance, and play games. Focus on fun and enjoy the company of others.

3 make sure your protein is lean

Turkey; roast beef; fresh ham; beans; and some types of fish, such as cod or flounder, are lean protein choices. When serving meats, trim away any fat before cooking. Go easy on the sauces and gravies—they can be high in saturated fat and sodium.

8 make exercise a part of the fun

Make being active part of your holiday tradition. Have fun walking and talking with family and friends after a holiday meal. Give gifts that encourage others to practice healthy habits such as workout DVDs, running shoes, and reusable water bottles.

4 cheers to good health

Quench your thirst with low-calorie options. Drink water with lemon or lime slices. Offer seltzer water with a splash of 100% fruit juice.

9 enjoy leftovers

Create delicious new meals with your leftovers. Add turkey to soups or salads. Use extra veggies in omelets, sandwiches, or stews. The possibilities are endless!

5 bake healthier

Use recipes with unsweetened applesauce or mashed ripe bananas instead of butter. Try cutting the amount of sugar listed in recipes in half. Use spices to add flavor such as cinnamon, allspice, or nutmeg instead of salt.

10 give to others

Spend time providing foods or preparing meals for those who may need a little help. Give food to a local food bank or volunteer to serve meals at a shelter during the holiday season.
