Supporting Hawaii's Child Care Needs

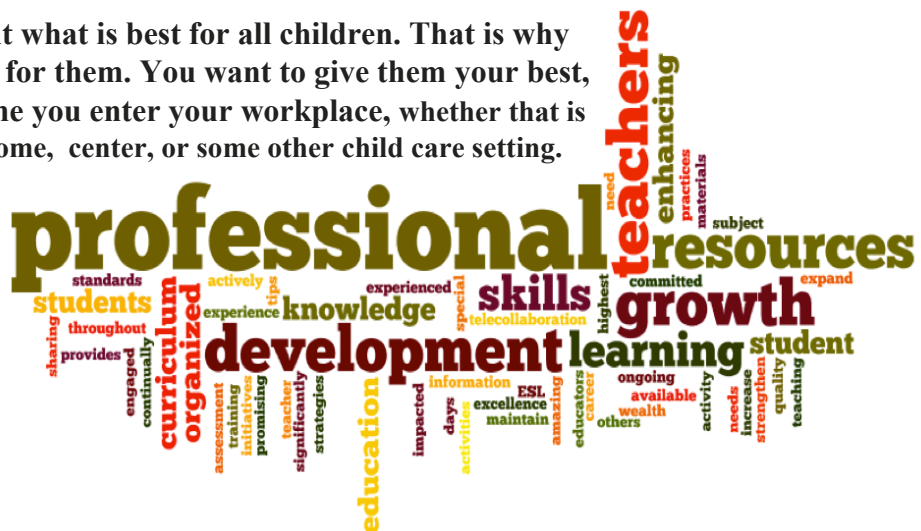

PICTURED ABOVE: VANESSA, DESTINA & KRISTI ATTEND A PATCH TRAINING ON MAUI

Professional Development (P.D.) – the BIG picture

“Professional Development” – How do these words make you feel?
Are you excited? Nervous? Frustrated? Apprehensive?

When you hear that you are required to obtain PD hours in order to keep your current position by the State or your employer you may sigh and think, “One more thing I have to do.” We understand, however, PD does not have to be a negative, unpleasant obligation or duty. We suggest you try, for just a few minutes, to look at PD differently – through the children’s eyes.

You want what is best for all children. That is why you care for them. You want to give them your best, every time you enter your workplace, whether that is in your home, center, or some other child care setting.

In the popular movie, Mary Poppins, (the remake is coming soon, if you hadn’t heard) two children make a list of all of the things they desire in a Nanny who will soon be caring for them. Jane and Michael Banks are two children who know what they want, and what they want is the perfect nanny.

The Charity Walk, founded in 1974 and expanded statewide in 1978, is now Hawai'i's largest single-day fundraising event by a non-profit organization. Since its inception, more than \$30 million has been raised to support hundred's of local charities. Spearheaded by the Hawaii Lodging & Tourism Association and it's non-profit arm Hawaii Hotel Industry Foundation, the Charity Walk is traditionally held every May. Money raised on an island or county stays there. The public is invited to participate in this tradition of sharing and kokua. It features a morning of great food, fun, fabulous entertainment, and a little exercise to help island charities. The Charity Walk is the only one in Hawai'i where participants can actually gain weight by raising money for a great cause.

Professional Development (PD) – the BIG picture

From Page 1

So, what *do* Mary Poppins' charges want from their Nanny? Here is a list:

Q “A cheery disposition” – SMILE, you can do that!!

We all want children to be happy about learning! One disposition I am sure **you all try to instill in children is a lifelong love of and excitement for learning.** You want to teach them to develop the art of inquiry and eagerness for new knowledge and experiences.

If we aim to instill these attributes in young children and we, as adults, do not follow the same principles, how can we honestly connect these concepts with the children we work with?

When you, as a caregiver and/or preschool teacher, regard your Professional Development as an opportunity to learn something new or a refresher course in something you already know - instead of a requirement - you will strengthen your teaching style. Child care providers who take this view are sure to enhance their classroom environments and offer their best to students throughout their career.

Q “Rosy cheeks, no warts. PLAY GAMES, all sorts.”

There may not be much any of us can do about physical appearance, but, **you definitely can PLAY GAMES of all kinds! What are they really asking for? Enrichment, engagement, and an exciting environment.**

Children are usually with you, their caregivers, more waking hours than they are with their families. When you introduce new activities, toys, and games into a child's environment, it helps them feel excited about the new discovery. Environments are key to providing rich learning places where children are cared for and want to be all day.

Professional Development is an important way you can refresh and deepen your knowledge of your own subjects of expertise and also learn new ways to help students learn through PLAY.

By engaging in PD, you may see things from a different perspective, gain new insight, or collaborate with other professionals.

Change is good - no, not always easy - but good! And, children need a change of pace sometimes, just as we adults do. **Why not take a class on room arrangements or classroom environments?**

Q “You must be kind; you must be witty. Very sweet and fairly pretty.”

These kids aren't asking for much, are they? Again, there may not be much one can do about the “pretty” part. So how about we focus on what we CAN do to meet their other requests? **Being kind is something all of us try to teach and model for children every day.**

Let's look at this for a moment through the lens of Professional Development. There are many classes available about social and emotional development, and, for very young children, the social and emotional developmental domains are reached in tandem. **Are you witnessing challenging behaviors in your child care? Classes on social and emotional development of infants and toddlers, or preschool-age children may be a good place for you to start.**

There are still more things these children want in their Nanny but, for now let's stop right there.

PD - the **BIG** picture

THE BOTTOM LINE IS:

Professional Development is your opportunity to learn and apply new knowledge and skills that will improve your performance on the job.

Additionally, the most highly effective and “happy” Early Childhood Educators are those who seek new knowledge, or look for ways to improve themselves - for the children’s sake as well as their own satisfaction at their place of employment.

All sectors of the workforce require or prefer employees to engage in increased knowledge, why should the field of early childhood be any different?

Add to that, PD is not so hard to find:

There are many opportunities available to you. Don’t forget about PATCH training - both in person and online! Call your local PATCH office for information, training, scholarships for ECE college courses, and more (see page 24 for a list of offices)

While it may at times appear a hard choice, **Professional Development can become your greatest gift to yourself and the young children you work with - expanding your child care toolkit, skill-set, creativity, and advancing your career.**

So, find something you are interested in learning or getting a refresher on and **JUST DO IT!!! You WILL benefit.**

Written by Cindy Ballard, PATCH Professional Development Manager

PATCH supports the professional development of those in the field of early childhood education and care. Our ECE Scholarships reimburse tuition monies to students who have passed eligible courses. Funding is limited and issued on a first come, first served basis.

Training Guidelines

Reminders About PATCH Training Attendance

Thank you for your diligence as a child care professional and your dedication to your on-going training and development.

When attending PATCH training classes there are a few guidelines to remember:

Sign Up for Classes Ahead of Time: Remember to sign up for PATCH classes in advance by calling your local PATCH office. To register for a class you must pay a \$5.00 refundable deposit to PATCH at least three calendar days before the class. Your \$5.00 deposit will be returned upon attendance or can be applied to a future class.

Remember to sign in: You will not receive a certificate for a training class if your name does not appear on the sign-in sheet. Please check all your information on the sign-in sheet. Print clearly when correcting errors in your name, address, or telephone number.

Be on time: If you arrive more than 15 minutes late, you will not be allowed to sign in. If you are unable to stay for the full duration of the training, you will not receive a training certificate. In both of these circumstances, your attendance will not be posted in the database for that class. Likewise, if a trainer is more than 15 minutes late—you may assume that the class has been cancelled due to unforeseen circumstances. We will call you to reschedule the class.

Turn off your cell phone: As a courtesy to the other participants, please turn off the volume of your cell phone or pager.

Adults only please: We love children too, but as a courtesy to other participants, we ask you to make alternative arrangements for child care.

Bring your Record of Training: Please bring your Record of Training (available via the PATCH office) to each class and remember to get the PATCH instructor's signature after each class. When you have completed an entire series, please return the original Record of Training to the PATCH office and we will mail you a Certificate of Completion for the series.

Keep good records: Whether you take a PATCH class or any other training, you should keep track of the trainings you attend for future reference. If you need verification of your PATCH classes, there is a \$2.00 fee for a computer printout list of classes taken at PATCH. If you have

misplaced your Record of Training sheet, there is a \$3.00 fee for a replacement. Duplicate certificates are available for \$1.00 each. Please keep in mind that PATCH often deletes information more than 5 years old to make room for the following year.

PATCH strives to coordinate its Training Program (and other programs) to fit the needs of Hawaii's child care professionals. If you have comments or suggestions, please contact your local PATCH office or email us at Patch@PatchHawaii.org.

Oahu Island News

By Cindy Ballard,
Professional Development

Thank you to all of the family child care providers who came to our Provider Social held on March 3rd at the PATCH office. There were wonderful giveaways, prizes and great food brought by all for the pot luck. A total of 17 providers attended and we offered the NEW training class "Basic Food Allergies", covering the difference between a food allergen and food intolerance, and how to plan ahead in case of anaphylactic episode with a young child.

We are looking forward to planning our Provider Appreciation Day event in May. Be on the lookout for invitations, coming soon.

Pictured: PATCH staff Ronnie Ballador & Anthony Arce shared PATCH services and resources at the 5th Annual Wahiawa Community Fun Fair. Thank you to all who dropped by to say hi and MAHALO to AlohaCare for inviting us.

“We’ll be friends forever, won’t we Pooh?” asked Piglet.

“Even longer.” Pooh answered.

As my children mature, their relationships with their peers fascinate me. I hope they too can discover long-lasting, meaningful friendships like Piglet and Pooh.

I often wonder: Do my children feel upset when their friend is upset? Do they get into arguments with their friends in the morning and then forget about the whole thing by recess? Will any of their current friends grow into life-long friends for my children?

Most of all, I wonder: What am *I* doing to help them create healthy relationships?

As parents and as child care providers, we play a critical role in encouraging children to build positive relationships. We present opportunities for socialization. We offer activities that involve interaction and cooperation. We lend children words to help them problem solve and assert themselves.

We model empathy to help build compassion.

For children to build positive relationships we, as parents and child care providers, must first show them that we value, cherish, and respect the relationship we have with them. When a child has a positive and healthy relationship with their parents and caregivers, the child will then go on to have positive and healthy relationships with others.

Always keep in mind that an essential part of being a great parent or child care provider is focusing on our own behavior, and in turn, we can have a profound and positive impact on the lives of our children – *forever, and even longer.*

Interested in learning more about Positive Relationships? We will be teaching Positive Relationships I and II in April. View our training schedule or call our office at (808) 242-9232 for more information.

Aloha to all of the awesome Kauai Child Care Providers and Preschool staff!!

Congratulations to all of the providers who received Ca\$h for Caring grants in 2017! PATCH was so pleased to distribute 14 Ca\$h for Caring grants in December 2017 that we depleted our grant funding for this fiscal year. We are applying for our annual grants from Kauai United Way and the Visitor Industry Charity Walk so by September 2018 we should have another pot of money for our Ca\$h for Caring grants. Details will be sent out to each of you by email as soon as we know our funding and timeline for the FY2018-19.

PATCH trainings for Spring 2018 are focused on the importance of movement for our keiki as well as for ourselves and are right on target for the new DHS requirement of 16 hours of training every year. We are just completing the series called "I'm Moving, I'm Learning", an active and very fun class that PATCH trainer Paula Moriguchi taught at the PATCH office in February and March 2018. Trainees in this class have really enjoyed themselves while learning of new fun activities for their preschools and child cares.

Along with Paula's class, there was a "Learn to Move & Move to Learn! Active Play in Early Childhood" workshop brought to Kauai by the Department of Health on Monday, March 12th from 5-8:30 PM at Island School with a special trainer from the mainland Dr. Diane Craft.

Please mark your calendars for another special treat, a **PATCH Providers Appreciation event and Training in partnership with the Learning to Grow team from Windward Community College on Oahu and Kauai Community College. This will be a very fun, free workshop called "Healthy Bodies, Healthy Minds" on Saturday April 7th.** We will start with a breakfast of Jamba Juice smoothies, coffee and bagels at 9:15 am. At 10 am, Jennifer Ryan will introduce us to fun activities for keiki using hula hoops, pool noodles, "soft" ball throwing and more. We will break for a bento lunch and be done by 1 PM. Everyone who participates will be given a certificate for this 3-hour class that can go towards your 16 hours of annual training for DHS. Call Mary Lu at 246-0622 to register, requires a \$25 deposit.

Please come join your PATCH Kauai staff at the 2018 Charity Walk on Saturday, May 12th starting 7AM at Vidinha Stadium Soccer Park.

A brand new PATCH training will be offered on Kauai on Wednesday, April 18th. It is called "Basic Food Allergies" and will be taught by Paula. The class is two hours long, from 6-8 PM, and you will receive a 2-hour certificate towards your 16 hours of DHS Annual training.

Safe Sleep training is an annual requirement of the DHS, so PATCH Kauai will offer the Safe Sleep training on several dates which will be taught by Lorraine. The **Safe Sleep class is 1.5 hours long and will be held on Mondays, April 16th, May 21st and June 18th.** Classes will be held

at the PATCH office from 6-7:30 pm.

And of course, **PATCH will be offering the Basic Series: Introduction to Family Child Care** for all of those in our community who want to start doing child care in their own home. The Basic Series is ten 3 hour classes designed around the Hawaii Administrative Rules, with activities to help you understand the regulations and helps you implement a quality family child care business. Paula has been doing a wonderful job teaching this series so spread the word, this series will start **on Wed. May. 16, 2018. If you know anyone who might be interested in opening their own child care, please let them know.**

Calendar events for Kauai:

April 10 & 12, 2018: Charity Walk Fundraiser & Bake Sale for PATCH Kauai in the Wo Building, (where the PATCH office) is from 9 am to 3 pm.

April 14, 2018: 16th Annual S.T.E.P.S. Parent & Child Fair at Kukui Grove Center from 9:30 am to 1 pm.

May 12, 2018: 40th Annual Visitor Industry Charity Walk, a big source of funding for PATCH Kauai, starting at 7 am at Vidinha Stadium Soccer Park

June 2, 2018: Wilcox Health KIDS SUMMER FEST with a health and wellness activity on Saturday, June 2, 2018 from 9:30 a.m. to 12:30 p.m. at the Kaua'i Marriott Resort.

East Hawaii Coordinator

(PICTURED ABOVE) On February 16, 2018 Diane Gammons represented PATCH at the 1st Hamakua Community Partners Waikoloa Resource Day. She was able to network with the different agencies and families who came by her resource table and connections.

On March 17, 2018 West Hawaii PATCH participated in the Fourth Annual Lions Club of Kona's Health Fair at the Konawaena Elementary School. The intent of the exhibits is to inform and educate the folks in our South Kona communities about the services and organizations that may be of help them and their families.

Thank you to Clair Mason and her staff at "Giving Bracelets" for their wonderful donation to our upcoming Provider Appreciation Day event on Saturday, April 21, 2018 at Daylight Mind Coffee Company at Waterfront Row on Alii Drive. Clair and her team fundraised throughout February to assist PATCH in our mission to support and improve the quality and availability of care for the young people of Hawaii.

Thank you Clair Mason
