

IMPORTANT UPDATE

Preschool Open Doors Applications

- Preschool Open Doors (POD) is experiencing a high volume of applications for the 2026 - 2027 program year.
  - Due to limited State-funded slots, POD may activate a **waitlist** for families who are not eligible for TANF funding.
  - TANF-funded slots remain available for eligible working families (parent(s) employed and earning below 300% of the federal poverty level).
- Families should ensure they fully complete the TANF questions (income, employment, citizenship) to be screened correctly.

For assistance, families may contact PATCH at 808-791-2130 or PODAdmin@patch-hi.org.
